

## PharmD First Scientific Day

Thursday 18<sup>th</sup> May

2017

### Welcome

We are delighted to welcome you to the first scientific day of our new program PharmD at Faculty of Pharmacy, that is held at main campus of Libyan International Medical University in Benghazi city. In this day we would like to introduce this newly launched program through talks and posters. We hope this meeting will offer an opportunity to celebrate the wide range of scientific expertise within our university and improve the networking for better education. We are delighted to have you all with us today and wish you enjoyable and productive time.

The event coordinator: Dr. Ruwida Alsinini
